

Dear Applicant,

Thank you for asking for details of the post of **Catering Assistant** for the New Charter Academy in Ashton-under-Lyne.

Choosing Business and Enterprise as a specialism will, I believe, give the strong foundations to create a new school with a culture of the highest aspirations and achievement. New Charter Housing Trust Group, the sponsor, has its roots in our communities and we hope that we will be able to shape the new Academy around the needs of young people, parents, employers and the future.

The New Charter Academy will initially be based in the existing buildings of its predecessor schools and will move to a "state of the art" £38m building on its completion.

We are ambitious for the new Academy. We believe it can become a beacon school for the area and contribute to the regeneration of Ashton. We believe we can create a high performing Academy for students of all abilities. We want them to have the qualifications, skills and personal attributes so they can make choices about their futures. We want to help develop young people as individuals, able to lead full, happy and constructive lives as adults, parents, citizens and members of the community. We want them to enjoy being at the Academy as well as achieving.

As well as providing the best opportunities for our pupils, we have a key part to play in regenerating communities. Our Academy will be a significant focus for learning for its pupils, their families and other local people.

We are appointing exceptional members of staff so we can continue our journey of excellence. As an appointee, you will help break the cycle of underachievement in areas of social and economic deprivation and raise the aspirations of all members in our community.

New Charter Academy has a genuine commitment to providing exceptional professional development opportunities for all colleagues. At New Charter Academy, every child matters and every colleague matters too. Staff will have a unique opportunity to influence the development of the £38m Academy campus.

Please ensure that your application reaches us by the closing date of Wednesday, 21st July 2010.

Yours faithfully

George Lloyd
Executive Director
